<p><b>WHAT HAPPENED?</b></p>	<p>The SEC has announced that Form 13F will be converting to an online form on Monday, April 29, 2013. Filers will be required to use the online form available on the EDGAR filing website and information tables will need to be designed according to EDGAR XML Technical Specifications. Form 13F and its instructions have not changed.</p>
<p><b>WHAT DOES THIS MEAN TO ME?</b></p>	<p>Fairview is prepared to implement these new filing requirements on April 29. Fairview will continue to make the filings as usual although your drafts for approval will appear in a different format. Nothing is required of Fairview clients as a result of these changes.</p>
